

Third-Party Financial Aid Reporting Form

Federal regulations require students to report any scholarship, grant, stipend, tuition assistance, or other form of student aid received from or awarded by sources other than ACOM. You must report all sources of aid which are not shown on your ACOM award notice. Reporting should be completed as soon as you have accepted an award, regardless of whether the funds have been received. Failure to follow these instructions may result in cancellation of all financial aid administered by ACOM.

By submitting this form **along with supplemental documentation of your award(s)**, you fulfill the reporting requirement. In addition, this form is used to instruct ACOM to bill a third-party awarding organization or sponsor on your behalf (if required).

*****IMPORTANT:** Please ensure that the supplemental documentation of your award contains the following information: student name, ID/SSN, amount of award, calendar period/semesters covered, sponsor contact information, and billing instructions.

Please complete a separate form for each award being reported. Do not leave any blanks empty.
