
**ACOM COMPLIANCE AND POLICY COMMITTEE
CHARTER****A. Purpose**

The Alabama College of Osteopathic Medicine Compliance and Policy Committee (“CPC”) assists ACOM in maintaining an effective compliance program by ensuring that College policies are reasonably designed, implemented, and generally effective in detecting and preventing risks or compliance violations. The CPC works collaboratively to ensure the coordination of compliance and policy activities across the College. The CPC will recommend necessary actions to promote a culture of ethical conduct and commitment to compliance with ACOM policies and with all law, policies, and regulations.

B. Functions of the CPC

- a. Facilitates compliance by serving as an informational and advisory resource for the Institutional Compliance Officer.
- b. Assists in assessing proposed and existing policies and procedures designed to address the internal and external environment, regulations governing ACOM, and specific risk areas.
- c. Serves as a communication link between employees and the compliance function.
- d. Assists in developing appropriate solutions for compliance issues.
- e. Assists in compliance training and education for employees.
- f. Endeavors to foster and maintain a culture of compliance throughout the College.

C. Chair

Institutional Compliance Officer

D. Vice-Chair

Director of Human Resources
