

Financial Aid Reporting Form

Federal regulations require students to report any scholarship, grant, stipend, tuition assistance, or other form of student financial assistance received from or awarded by sources other than ACOM's Financial Aid Office. Reporting should be completed as soon as you have been notified of an award, regardless of whether the funds have been disbursed.

By submitting this form **along with supplemental documentation of your award**, you fulfill the reporting requirement. Please ensure that the supplemental documentation of your award contains the following: student name, amount of award, semester(s) for which funds are designated, and awarding organization contact info.

In accordance with regulations governing federal student aid programs, a student's total financial aid package, including loans, may never exceed the Cost of Attendance (COA). If you were awarded federal student loans prior to the submission of this report, your loans may be reduced or cancelled.

Report your award information below. Submit a separate form for each award being reported.
