

Voter Registration

The Higher Education Act Amendment of 1998 requires colleges to make a good faith effort to make voter registration forms available to you.

You may request a Federal Voter Registration Form from the Election Assistance Commission website at <https://www.eac.gov/voters/national-mail-voter-registration-form>.

You may request an Alabama voter registration form at the website established by the Secretary of the State of Alabama at <http://www.alabamavotes.gov/>.

Non-resident students should visit their state voter registration websites for information on deadlines and registration form requirements. For more information, visit the United States Election Assistance Commission website at <https://www.eac.gov/voters/register-and-vote-in-your-state>.
