

# Medical Director of Clinical Osteopathic Neuromusculoskeletal Medicine

**Join our dynamic team** of faculty at the Alabama College of Osteopathic Medicine (ACOM), where we are Inspiring Medicine through Human Touch®. ACOM is a private, nonprofit college and is the academic division of Southeast Health, a regional health system serving a 13-county area of 450,000 people. The College was founded to help address the national and regional primary care physician shortage, and to date, more than half of ACOM graduates are pursuing careers in primary care.

ACOM's success has been demonstrated through its history of excellence in residency match, as well as national and international recognition for outstanding performance in clinical simulation. As a mission-driven institution, ACOM is committed to academic excellence and is seeking faculty who exemplify the very best in medicine to train future osteopathic physicians.

## BENEFITS INCLUDE

- ▶ Competitive salary and comprehensive benefits package, with health, dental and vision insurance, 401a and 457b retirement plans (up to 7.5% match)
- ▶ Paid professional memberships, licensure and malpractice insurance
- ▶ Exempt, Full-Time Staff
- ▶ Paid vacation and sick leave
- ▶ Paid holidays and extended winter break
- ▶ Research opportunities available
- ▶ Access to digital medical library
- ▶ Paid leave for CME and expense allowance

## POSITION DETAILS

The Director of Clinical ONMM has primary responsibility for the ONMM educational experiences of ACOM students in the ACOM clinics. The Director coordinates with the Chair of OPP and the Medical Director(s) of ACOM Clinics to manage the scheduling, supervision, and training of ACOM students and OPP Fellow Scholars in the clinics; and oversees the clinical teaching assignments of ONMM clinical faculty and OPP Fellow Scholars.

- ▶ Manages clinical learning experiences and observation experiences of students including supervision and scheduling of students for the OPP Clinic.
- ▶ Coordinates with the Chair of OPP to ensure appropriate student assignments and clinical experiences.
- ▶ Meets regularly with other clinical educators, including OPP Fellows, to monitor and evaluate the learning experience and progress.
- ▶ Is readily available for consultation when students are in the clinical area.
- ▶ Provides ONMM care to clinic patients and involves students and OPP Fellows in patient care as appropriate for their level of knowledge and skill.
- ▶ Monitors student and OPP Fellows progress through rounds, student clinical training sessions, one-on-one conferences, and review of student clinical assignments.
- ▶ Collaborates with other clinical educators to evaluate students' and OPP Fellows' clinical performance and to provide formative feedback to students and OPP Fellows.
- ▶ Collaborate and coordinate with the Rural Health Clinic Clerkship Chair to assign students' grades.

## SECONDARY ROLL

### Associate Professor of Osteopathic Principles and Practice

The Associate Professor is primarily responsible for the educational development of ACOM students. Individuals in these positions work both in and out of the classroom settings to develop and disseminate technical/scientific knowledge to ACOM students. This will motivate them toward their full professional attainment in the medical field. The individuals in these positions are under supervision of their OPP Department Chair.

- ▶ Evaluates, develops and delivers course material to ACOM students within the described OPP clinical curriculum.
- ▶ Serves as a co-course director in OPP pre-clinical curriculum to include lectures, lab presentations, and practical assessments.
- ▶ Contributes to the learning of medical students, graduate students, interns and residents through classroom teaching as well as in one-on-one out of class situations.
- ▶ Serves in leadership and membership capacities on college and faculty committees.
- ▶ Accepts assignment of students for advising and mentorship;

## About ACOM and Dothan

The Alabama College of Osteopathic Medicine (ACOM) is a comprehensive, four-year osteopathic medical college located in Dothan, Alabama. The city of Dothan has a low crime rate, a cost of living well below the national average and is about 90 minutes from the Emerald Coast beaches of Florida. Established in 2013, the college is the academic division of Southeast Health, a not-for-profit community health system that also includes a regional medical center, an extensive network of clinics and specialty services, and a philanthropic foundation; all serving a tri-state area including southeast Alabama, southwest Georgia, and northwest Florida.

### Pre-clinical curriculum:

- ▶ Systems-based integrated delivery with anatomy and molecular medicine cornerstones in first year
- ▶ Immersive simulation experiences and numerous standardized patient encounters
- ▶ Career development integrated in curriculum

### Clinical curriculum:

- ▶ Expansive network of qualified preceptors and training site since mid-2000s
- ▶ More than 30 core clinical training sites in Alabama, Florida, Georgia, and Mississippi
- ▶ Unique, mandatory clinical rotations in hospice care and rural medicine

### Dothan events and points of interest

- ▶ Future Masters golf tournament
- ▶ National BMX racing event
- ▶ Robert Trent Jones golf course
- ▶ National Peanut Festival
- ▶ Historic downtown district with restaurants and shops
- ▶ Downtown festivals
- ▶ The Carver Museum
- ▶ Wiregrass Museum of Art
- ▶ Mardi Gras parade
- ▶ Numerous biking and hiking trails
