

ALABAMA COLLEGE OF OSTEOPATHIC MEDICINE

At its meeting on April 11-12, 2024, the Commission on Osteopathic College Accreditation (COCA) reviewed the site visit report for the Comprehensive Site Visit conducted at the Alabama College of Osteopathic Medicine (ACOM) on December 4-7, 2023.

In further business, upon motion and second, the COCA voted to grant ACOM the accreditation status of Accreditation with Exceptional Outcome, effective April 12, 2024. This accreditation status is valid for 10 years. ACOM's next comprehensive site visit will be held in academic year 2033-2034. A mid-cycle report will be due in academic year 2028-2029 and will include a student survey. Annual supplemental reporting will be due as required of all COCA-accredited programs.
