Please help us maintain our ethical compliance!

The Alabama College of Osteopathic Medicine (ACOM) is proud of its continued commitment to promoting a culture of ethics, integrity and compliance. High ethical standards are vital to all members of the ACOM student body, faculty and staff. The ACOM Hotline is an option for making a confidential report to help students and employees identify and address compliance concerns (e.g., harassment, Title IX complaints, HR complaints, financial, research, HIPAA, Safety or Environmental matters, etc.). The Hotline enables you to inquire about or report actual or potential unethical or unlawful behavior in a safe, anonymous way over the phone. The Hotline is designed for use by all members of the ACOM community.
